General Rules & Regulations of the School

Please go through General Rules & Regulations given in the [Rules & Regulations](#) under the School Tab of the Home Page of this website.

Methodology

An intensive coaching is provided in all subjects with regular assessments. Performance of each student is monitored graphically and a one hour remedial coaching after school hours, if required, is in practice. Lessons are taken according to the discretion of our experienced teachers, keeping in mind the suitability and the best interests of our students and so private tuitions are discouraged. An effective communication system with the parent is open.

Preparatory Programme

School is in discussion with Brilliant Institute, Pala to begin coaching for Engg./ Med. Entrance Examination at the school campus and is also exploring the possibilities of launching preparatory classes for CA Orientation and Company Secretaries Examination for the commerce students.
