Terms and Conditions of the School Bus Service

By registering for the school bus facility, I agree to the following:

I understand that

- If I register for school bus facility for my ward and the required amount is deducted from the advance fee, then my ward is bound to use the school bus for the whole academic year.
- If my ward stops using the school bus either before the end of the bus fee term 1 or before the end of the academic year, I am bound to pay the bus fee for the whole academic year.
- There is no provision of one side journey.
- Once registered for a stop, then the student will have to use the assigned bus for the whole academic year.
- Cancellation of school bus service of a student will be considered only if Transfer Certificate is issued for the student on or before 30-April-2023. In such cases of issuing Transfer Certificate, 50% of the paid bus fee will be refunded if the Transfer Certificate is issued before 30-April-2023.
- Cancellation of the bus facility or not using the school bus in the whole year after the confirmation and consequent deduction of the applicable bus fee from the advance fee will lead to prohibition of school bus facility to the

student for the remaining years and the student will be added to a list of prohibited students of the school bus facility.

- If there are not enough students registered in a route, then the service will be cancelled. In such cases, if any amount is deducted from advance fee for the school bus facility, then the deducted amount will be refunded to the advance fee.
- If there are more students registered than the legally permitted number in a bus assigned to a particular route, then students will be selected in the following manner.
 - Priority will be given to the students who used in the previous year, then to the lower class students, then to sibling of the already selected students and to the students having more distance from school.
- If there is vacancy after the first allocation, then the second allocation will be made using the same allocation policy. Allocation will continue as per the above policy till all seats are allocated.
- For the students of classes 08 and below, bus fee can be paid in two equal instalments. Fee slabs for one instalment is given here - Rs 11000/- for the first 6 kms, Rs 12000/- for 6 to 10 kms, Rs. 12500/- for 10 to 15 kms and Rs 13750/- for above 15 kms. First instalment is to be paid at the time of registration and the second instalment is to be paid between 01-10-2023 and 15-10-2023.
- Students of classes 09, 10, 11 & 12 will have to pay the yearly fee in single instalment at the time of registration. Yearly fee is - Rs 22000/- for the first 6 kms per year, Rs 24000/- for 6 to 10 kms per year, Rs. 25000/- for 10 to 15 kms per year and Rs 27500/- for above 15 kms per year.
- Confirmation message will be given by 10-04-2023. Once confirmed, it is the duty of the parent to make sure that there is enough balance in the advance fee before 15-April-2023.
- If the advance fee is not enough to deduct the applicable bus fee, then the registration will be cancelled. Once allocated, then the second chance will be given only after completing a full round of allocation.
- There will not be school bus service on the days on which classes/examinations are held only for classes 09, 10, 11 and/or 12.
