

We stand together in prayer for Wayanad

On 2nd August a special session was conducted for the kindergarten students to help create an awareness about current affairs as well as to inculcate good values. The little hearts offered special prayers and pledged to have a low key Onam celebration.

St Teresa's College Visit

On 9th August 2024, fourteen MSc Child Development students from St. Teresa's College accompanied by their professor visited our kindergarten as a part of their institutional visit. The visit was aimed at learning about Early Childhood Education and the best practices to be followed in this field. The visit was an eye-opener for our visitors. The team went back with a better insight into the workings of an ideal kindergarten. They also applauded the KG team for the innovative teaching practices being followed by Sacred Heart CMI Kindergarten.

Interschool competition - Aavesham

"Competition is not about tearing others down, but about building yourself up."

A joint team comprising of teachers from both the Kindergarten and Public School represented our school at Aavesham, the interschool competition hosted by GEMS Academy, Kakkanad. Our teachers proved their mettle and did us proud by lifting the Runners Up trophy.

Aakar 2024

“Art is a platform for children to learn to trust their ideas, themselves and to explore what is possible.”

- Maryann F. Kohl

Art and culture play vital roles in shaping our identities, fostering connections and enriching our experiences making them indispensable components in ensuring holistic development. Participating in Aakar has the potential to inspire critical thinking, provoke change and transform our students into more confident versions of themselves.

The finals of the On-stage events of Aakar 2024, for the LKG and UKG sections, were held in the month of August. The events for the PREKG section was conducted in September. The enthusiastic and spirited performances by the finalists was well appreciated by the judges, teachers, parents and students alike. Anamika Das and Devarsh S Krishna were awarded the Aakar Balatharam trophy for the overall champion girl and boy, respectively.

INDEPENDENCE DAY CELEBRATION 2024

Long years ago, we made a tryst with destiny and the world learned the power of non-violent protest as Mahatma Gandhi led the diverse people of India in our struggle for independence.

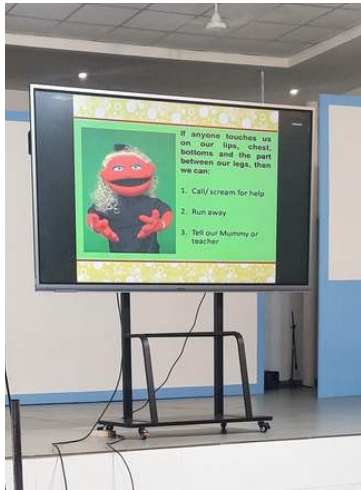

On 14th August 2024, Sacred Heart CMI Kindergarten too celebrated our 78th Independence Day with all patriotic fervour. Our Principal Rev. Dr. Varghese Kachappilly CMI, Headmistress Ms. Bindu Thomas and parents joined the little ones in their celebrations.

Our little ones presented the freedom struggle through a theme based programme - the audience were led through various movements from the freedom struggle. The kindergarteners were made aware of freedom fighters down the ages and the importance of working together for our land. The little ones re-enacted various scenes from the freedom struggle and sang patriotic songs with great gusto and fervour. The enthusiasm of the kids was very evident during the colourful parade around the campus. The National Flag and pedas with tri-colour wrapping were also distributed.

Building Trust and Safety – Educating kids on Good Touch, Bad Touch

Teaching children about the concepts of ‘good touch’ and ‘bad touch’ is crucial not only for their safety and security but also for nurturing self-worth, respect and empowerment. Parents often find it very challenging to explain these concepts in age-appropriate terms, using simple language and avoiding complex or scary details. Sessions on ‘Good touch, bad touch’ and ‘Stranger danger’ were conducted during the common assembly to create an awareness and educate our kindergarteners.

Teacher's Training Workshop

“The purpose of learning is growth, and our minds, unlike our bodies, can continue growing as we continue to live.”

- Mortimer Adler

Intellectual development is a lifelong process. Ensuring that our teachers continue to stay updated with the latest teaching techniques is something Sacred Heart CMI Kindergarten is committed to. Our teachers attended a Teacher's Training workshop conducted by Vidyodaya Nursery - Thevakal, on 24th August 2024. The teachers attended sessions conducted by experts and also interacted with their fellow educators from other schools.

EDUCATIONAL FIELD TRIP

An educational field trip for PreKG and LKG was organized 27th August 2024, to the KUFOS Aquarium, to help our Kindergarteners gain a better understanding of aquatic animals and develop a love for the natural world. The scientists and researchers of KUFOS took the students around the complex and showed the fish tanks, hatcheries and various exhibits. The trip was an exciting one where the children explored the wonders beneath the surface and made memories with their “fin-tastic” friends.

On the same day the UKG students went to the Thevara Police Station, to help students understand the role of community helpers. They were warmly welcomed by the police personnel who then showed the students around the station. The police officers were happy to meet our students and answer their questions. Some of the questions asked by the students were ‘What advice would you give to someone who wants to be a police officer?’ and ‘what should I do if I’m lost or in trouble?’ The students went around the police station and saw the holding cell, arms & ammunition and other police equipment. They also saw the police car which is used for patrolling and other official purposes. The “super cops” of Thevara police station beautifully played dual roles of Educators and Protectors. Our students realized that heroes don’t wear capes and fly but rather wear badges and patrol.

Headmistress's Birthday

The birthday celebration of our beloved headmistress was a joyous occasion filled with warmth and affection from the entire Kindergarten family. Children expressed their love for Madam by presenting beautifully crafted cards, flowers, colourful bouquets, heartfelt speeches, sharing what they appreciated most about her guidance and support. The highlight of the celebration was the delightful dance performance by the pre-schoolers and LKG students and a lively action song by the UKG students. In a wonderful show of solidarity, the teachers also joined in, performing a graceful dance dedicated to Madam, further emphasizing the respect and admiration for her. The entire event was a beautiful tribute, reflecting the deep bond between Madam and her students and staff.

Teachers' Day

"A moment to honour the guiding lights in our lives"

The little darlings of kindergarten expressed their love and respect for their teachers in a unique way on the occasion of Teacher's day. The combination of heartfelt gifts, entertaining performances by the little ones and visits from former students created an unforgettable experience for everyone involved. The teachers, visibly touched by the warmth and sincerity of the Teacher's Day honours, felt a deep sense of validation and connection with their students, knowing their efforts were truly appreciated. The gesture of love and respect shown by the students for their 'second parents' was truly meaningful, reflecting a deep appreciation for the guidance and support they have received. The day not only strengthened the bond between the young learners and educators but also created cherished memories that will last a lifetime.

Onam celebration

Our Onam celebration was a vibrant three-day extravaganza filled with tradition, culture, and joy. On the first day, children arrived in beautiful traditional attire and savored delicious payasam. The second day was a burst of color and creativity as children performed variety of entertainment programmes. The presence of our Chief Guest Ms. Shirly Somasundaran, Theatre Artist, Academic Advisor and Consultant, added a special touch to the festivities. Students captivated the parents, including graceful dances, melodious Onam songs, and a lively skit portraying the story of Mahabali. The festivities concluded on the third day with teachers coming together to celebrate Onam in their own special way, making it a truly memorable occasion for all.

MUDITĀ SEASON 2

Sacred Heart CMI Public School, Thevara, proudly hosted Muditā Season 2: The Interschool Gathering for Peace, Harmony, Happiness, and Amity on 28 September 2024. The event brought together young minds from various schools, fostering unity and understanding through meaningful interactions and activities. It was a day dedicated to celebrating the values that connect us all, leaving a lasting impression of togetherness and joy.

Young Talents Shine in Interschool Competitions

Our kindergarteners made us proud by showcasing their exceptional talents in various interschool competitions, bringing home numerous accolades.

At Spectrum-Jr, hosted by Sanskara School, Kakkanad:

- Tinge Category: Heizel Miriam K J (Pre-KG) secured I prize, Druva Dinesh (LKG) won II prize, and Carmel Rose Justine (UKG) earned III prize.
- Origami: Anamika Das (UKG) secured I prize.

At the Rotary Junior Talent Hunt

- Sarah Mariyam John (LKG-A) won II prize for Colouring with Crayons.
- Rebecca Rose Shorin (UKG) won I prize for Storytelling - English, III prize for Storytelling - Malayalam, III prize for Action Song - English, III prize for Action Song - Malayalam, and I prize for Solo Dance.
- Edward D Lazar was crowned Rotary Little Prince.

At KAIROS, hosted by Assisi Vidyaniketan Public School Abram Chris (LKG-E) won I prize for Crayola (Colouring with Crayons).

At the 20th Ernakulam District Sub-Junior Taekwondo Championship held at St. Albert's College Achilles Mario Jessu (LKG-D) won the Bronze Medal.

A Musical Triumph: Celebrating Our Talented Teacher

Our school beams with pride as our beloved music teacher, Ms Sreeshma T. J.

showcased her incredible talent on the television reality show Musical Wife, aired on Flower's TV. Her dedication and passion for music shone brightly as she secured the title of Runner-Up in the Grand Finale. Her achievement is an inspiration to us all, proving that dreams can be achieved with hard work and perseverance.

Congratulations to all our young achievers for their outstanding performances! Your hard work and enthusiasm continue to inspire us all.

Happy Birthday
