The Sacred Heart CMI Kindergarten News Letter - Sl No : 5 / March 2025

Heartians Team Synergy

It was a day filled with lots of fun, joy, laughter, music and dance for the Heartian family as they went for a day picnic at the picturesque Indriya Adventure Park & Resorts, Munnar. The picnic was not only a much needed rejuvenating break but also served as an opportunity to deepen camaraderie among the staff.

A Day of Joyful Learning

On Friday, 7 February 2025, our little Heartians experienced a day of Joyful Learning, filled with creativity, interaction and reflection. The session, led by our dedicated teachers, focused on God's love, prayer and essential moral and social values. The day was enriched with storytelling, music, dance, engaging activities, prayer and meditation, creating a nurturing environment that deeply inspired our young learners. In a touching gesture, our tiny tots dedicated their prayers for their seniors in Class 10 & 12, wishing them success in their upcoming endeavors. The event was a beautiful blend of learning and spirituality, leaving a lasting impact on our kindergarteners!

Shopping At Reliance

“Field trips provide a window to experiential learning opportunities where students can connect what they are learning in the classroom”.

The LKG students embarked on a stimulating visit to Reliance Supermarket on 11th February 2025. The objective of the field trip to a supermarket was to help students explore their choices practically and understand about healthy and nutritious food.

Students explored the display and arrangement of the store by identifying and observing the various products. Teachers explained the different sections of the supermarket (fresh fruits, vegetables, grains, toiletry, dairy/frozen food, bakery, canned goods, toys and more) and the importance of different food types and how to make healthy choices. Students and teachers spoke about the size, colour and the way the goods are packed. Students were also shown how to make a purchase at the billing counter, while tacitly teaching them to queue and wait for their turn. Students excitedly pointed out the food and toiletry brand used by them at home.

A Fun-Filled Learning Experience at Decathlon

Our UKG children had an exciting and educational visit to the Decathlon store in Vyttila, where they experienced a day of fun, play and learning. The store provided them with ample space to explore, run and engage in various sports activities, making the outing both enjoyable and energetic. Beyond just play, the visit also served as a practical lesson in shopping and money management. The children got the opportunity to select and purchase items on their own, helping them understand the basics of decision-making and handling money. It was a memorable outing that combined fun, fitness and financial awareness, making learning an enjoyable experience for our little ones.

A 'Fruitful' Learning Experience

Our little learners had a delightful and engaging Fruit Salad Day, where they discovered the joy of healthy eating through hands-on experience. The day began with an exciting fruit exploration session, where children observed a variety of fresh fruits, learning about their colours, textures and nutritional benefits. With great enthusiasm, they participated in washing, peeling and slicing the fruits. The fun continued as the assorted pieces were mixed into a delicious and wholesome fruit salad. This interactive session instilled in them the importance of healthy eating habits. The event was a perfect blend of fun and learning, leaving our little ones with happy hearts and healthy tummies.
